### **PROFIT WARNING**

This announcement is made by the board of directors (the “**Board**”) of Hengxin Technology Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The Board hereby informs the shareholders of the Company and potential investors that, based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 December 2025 (the “**Reporting Period**”) and other information currently available to the Board, the Company expects to record an unaudited net loss for the Reporting Period of approximately between RMB41.0 million and RMB43 million. The audited net profit for the same period of last year was approximately RMB73.3 million.

The Board considered the unaudited net loss for the Reporting Period as contrast to an audited net profit for the same period of last year was mainly attributable to (i) the decrease in revenue; (ii) the increase in impairment loss on trade and other receivables; (iii) the increase in interest expense; and (iv) the increase in income tax during the Reporting Period comparing the same period of last year.

The information contained in this announcement is only a preliminary assessment by the Board with reference to the unaudited consolidated management accounts of the Group and other information currently available to the Company for the Reporting Period. Such information has

not been audited or reviewed by the auditors or the audit committee of the Company. As the Company is still in the process of finalizing its consolidated financial statements for the Reporting Period, the Group's annual results for the Reporting Period may be subject to changes and may differ from the information disclosed in this announcement. The actual results of the Company for the Reporting Period and other operating details of the Group will be disclosed in the final results announcement of the Company for the Reporting Period, which is expected to be released on around 31 March 2026. The corresponding annual report will be published subsequently.

**Shareholders of the Company and potential investors are advised to exercise caution when dealing in the securities of the Company.**
