VOLUNTARY ANNOUNCEMENT

RECENT BUSINESS UPDATE

This announcement is made on a voluntary basis to keep the shareholders of Hengxin Technology Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”) and potential investors informed of the latest business development of the Group.

INCLUSION IN THE PROMOTION CATALOGUE OF ADVANCED APPLICABLE TECHNOLOGIES AND SOLUTIONS FOR BRICS COUNTRIES BY THE MINISTRY OF INDUSTRY AND INFORMATION TECHNOLOGY OF THE PEOPLE’S REPUBLIC OF CHINA

The Board of Directors (the “**Board**”) of the Company is pleased to announce that at The BRICS Forum on Partnership on New Industrial Revolution 2026 (the “**BRICS Forum**”) (2026 金磚國家新工業革命夥伴關係論壇) held in Xiamen on 27 May 2026, Zhejiang Zhongguang New Energy Technology Co., Ltd. (“**Zhejiang Zhongguang**”), an indirect controlling subsidiary of the Company, has been included in the “Promotion Catalogue of Advanced Applicable Technologies and Solutions for BRICS Countries” (《面向金磚國家推廣的先進適用技術和解決方案》) by virtue of its technological achievements in the fields of concentrated solar power and molten salt energy storage (distributed molten salt thermal storage green steam solution).

The BRICS Forum is jointly organised by the Ministry of Industry and Information Technology of the People’s Republic of China and the People’s Government of Fujian Province. Following expert evaluation, 32 technologies were selected from 110 submitted projects for inclusion in the promotion catalogue, and Zhejiang Zhongguang’s

solution was among them. The inclusion in the promotion catalogue reflects the advancement and applicability of Zhejiang Zhongguang's established technologies in the fields of concentrated solar power and molten salt energy storage. The selected technologies will be promoted across BRICS countries during the BRICS Forum, with a view to supporting Chinese enterprises in expanding their international markets.

The Board believes that this inclusion reflects the Group's technical capabilities accumulated through long-term investment in the fields of concentrated solar power and molten salt energy storage, and will help consolidate Zhejiang Zhongguang's existing business foundation in the relevant fields.

This inclusion is promotional in nature and does not involve any binding orders, contracts, or revenue commitments, and will not have any immediate material impact on the Group's business or financial position as of the date of this announcement. The Company will make disclosure of any notifiable matters in accordance with the applicable rules and regulations.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.

By Order of the Board
Hengxin Technology Ltd.
Peng Yinan
