POSITIVE PROFIT WARNING

This announcement is made by the board of directors (the “**Board**”) of Hengxin Technology Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The Board hereby informs the shareholders of the Company and potential investors that, based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 (the “**Reporting Period**”) and other information currently available to the Board, the Company expects to record an unaudited net profit attributable to equity shareholders of the Company for the Reporting Period of not more than RMB10.0 million. The unaudited net loss attributable to equity shareholders of the Company for the same period of last year was approximately RMB70.4 million.

The Board considered the year-on-year turnaround in the unaudited net profit attributable to equity shareholders of the Company for the Reporting Period was mainly attributable to the improvement in revenue and gross profit margin and the significant decrease in corporate income tax compared with the same period of last year because, unlike the same period of last year, there was no intra-group dividend subject to corporate income tax in the People’s Republic of China during the Reporting Period.

The information contained in this announcement is only a preliminary assessment by the Board with reference to the unaudited consolidated management accounts of the Group and other information currently available to the Company for the Reporting Period. Such information has not been audited or reviewed by the auditors or the audit committee of the Company. As the Company is still in the process of finalizing its consolidated financial statements for the Reporting Period, the Group's actual interim results for the Reporting Period may be subject to changes and may differ from the information disclosed in this announcement. The actual results of the Company for the Reporting Period and other operating details of the Group will be disclosed in the interim results announcement of the Company for the Reporting Period, which is expected to be released on around 26 August 2026. The corresponding interim report will be published subsequently.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the securities of the Company.
