PROFIT GUIDANCE FOR THE THIRD QUARTER AND NINE MONTHS ENDED 30 SEPTEMBER 2012

In anticipation of the announcement of the unaudited results for the third quarter and nine months ended 30 September 2012 (“3Q2012”), the Board of Directors (the “Board”) of Hengxin Technology Ltd. (the “Company”) deems it is appropriate to issue a profit guidance in respect of the financial results of the Company and its subsidiaries (the “Group”) for the 3Q2012.

The Company expects to record a lower net profit for the 3Q2012 as compared with that for the same period in 2011.

The decrease in the unaudited consolidated net profit of the Group is primarily attributable to a weak market demand for RF Coaxial Cables, being the Group’s main product segment. These factors have contributed to a lower revenue being registered and consequently a lower net profit of the Group. The Group’s unaudited net profit for the 3Q2012 is expected to decline in the range of approximately 50%.

The Company is still in the process of finalizing the unaudited results for the 3Q2012. This announcement is only a preliminary estimate performed by the management of the Company based on the unaudited management accounts of the Group and current available information, and is not based on any figures or information audited or reviewed by the Company’s auditors. Further details of the Group’s financial performance will be disclosed when the Company announces its unaudited results for the 3Q2012 on or around 2 November 2012.

Shareholders of the Company and potential investors should exercise caution when dealing in the shares of the Company.
