PROFIT GUIDANCE FOR THE FOURTH QUARTER AND FULL YEAR ENDED 31 DECEMBER 2012

This announcement is made by Hengxin Technology Ltd. (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to rule 13.09(1) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap.571, Law of Hong Kong) (the “**SFO**”).

In anticipation of the announcement of the unaudited results for the fourth quarter and full year ended 31 December 2012 (“**4Q2012**”), the Board of Directors (the “**Board**”) of the Company deems it appropriate to issue a profit guidance in respect of the financial results of the Group for 4Q2012.

The Company expects to record a materially lower net profit for 4Q2012 compared to the same period in 2011.

The decrease in the unaudited consolidated net profit of the Group is primarily attributed to the following:

- (A) Continuing weak market demand for RF Coaxial Cables, being the Group’s main product segment; and
- (B) Increase in operating expenses: The Group witnessed an increase in Selling and Distribution expenses and Administrative expenses. Further details will be released in the Group’s 4Q2012 financial announcement.

The above factors have contributed to a materially lower net profit of the Group.

The Company is still in the process of finalising the unaudited consolidated results for 4Q2012. This announcement is only a preliminary estimate by the management of the Company based on the unaudited management accounts of the Group and currently available information, and is not based on any figures or information audited or reviewed by the Company's auditors. Further details of the Group's financial performance will be disclosed when the Company announces its 4Q2012 unaudited consolidated results on or around 20 February 2013.

Shareholders of the Company and potential investors should exercise caution when dealing in the shares of the Company.
