AND  
NOTICE OF ANNUAL GENERAL MEETING**

**1. INTRODUCTION**

The purpose of this Circular serves to provide you with information on the resolutions to be proposed at the AGM for the approval of the renewal of the Share Issue Mandate, the renewal of the Share Purchase Mandate, and the re-election of the retiring Directors.

## LETTER FROM THE BOARD

---

### 2. RE-ELECTION OF RETIRING DIRECTORS

In accordance with Article 89 of the Articles, Ms. Zhang Zhong and Mr. Tam Chi Kwan Michael shall retire at the AGM and, being eligible, offer themselves for re-election at the AGM. The information required to be disclosed under the Hong Kong Listing Rules in relation to the retiring Directors proposed for re-election are set out in Appendix I of this Circular.

### 3. RENEWAL OF SHARE ISSUE MANDATE

- 3.1 At the annual general meeting of the Company held on 24 April 2013, the Directors have been granted a Share Issue Mandate to allot, issue and deal with not more than the sum of 50% of the total number of issued Shares excluding treasury shares, of which the aggregate number of Shares (including Shares to be issued in pursuance of instruments (as defined in the Company's resolutions dated 24 April 2013) made or granted pursuant to the resolution) to be issued other than on a pro rata basis to Shareholders of the Company shall not exceed 20% of the total number of issued Shares excluding treasury shares. The 50% limit in the foregoing sentence may be increased to 100% for issues of Shares and/or instruments by way of a renounceable rights issue where Shareholders of the Company are entitled to participate in the same on a pro rata basis.
- 3.2 The Share Issue Mandate will expire at the conclusion of the AGM, or at the expiration of the period within which the Company is required by the rules of the SGX-ST or any applicable laws of Singapore to hold its next annual general meeting, whichever occurs first.
- 3.3 The Hong Kong Listing Rules provide that the Share Issue Mandate shall be subject to a restriction that the aggregate number of Shares allotted or agreed to be allotted under the Share Issue Mandate must not exceed 20% of the existing issued share capital of the Company. Going forward, we will comply with the requirements under the Hong Kong Listing Rules or the Listing Manual for matters relating to the Share Issue Mandate, whichever is more onerous.

### 4. RENEWAL OF SHARE PURCHASE MANDATE

- 4.1 At the annual general meeting of the Company held on 24 April 2013, the Directors have been granted a general and unconditional Share Purchase Mandate to exercise all the powers of the Company to purchase or acquire Shares with an aggregate nominal amount of not more than 10% of the total nominal amount of the Shares issued at the date of the last annual general meeting held before the resolution authorising such share purchase mandate is passed or as at the date of the resolution authorising the share purchase mandate is passed, whichever is higher, at such price or prices as may be determined by the Directors from time to time, up to the price (excluding brokerage, commissions, stamp duties, applicable goods and services tax and other related expenses) which shall not exceed (i) in the case of a market purchase, one hundred and five per cent. (105%) of the average closing market price of the Shares transacted on the SGX-ST over the last five (5) market days (on which transactions in the Shares are recorded) immediately preceding the date of the market purchase by the Company; and (ii) in the case of an off-market purchase, one hundred and twenty per cent. (120%) of the average

closing market price of the Shares transacted on the SGX-ST over the last five (5) market days (on which transactions in the Shares are recorded) immediately preceding the date of the market purchase by the Company stating the purchase price and the relevant terms of the equal access scheme.

- 4.2 The Share Purchase Mandate was made in accordance with the Listing Manual. In the event that the Company shall purchase its own shares, it is required to comply with the more onerous requirements under both the Hong Kong Listing Rules and the Listing Manual.
- 4.3 Unless revoked or varied by the Company in AGM, the Share Purchase Mandate shall continue in force until the conclusion of the Company's next annual general meeting or the date by which the next annual general meeting of the Company is required by law to be held, whichever is earlier.
- 4.4 As at the Latest Practicable Date, the number of Shares in issue was 388,000,000. Accordingly, the exercise of the Share Purchase Mandate in full would enable the Company to repurchase a maximum of 38,800,000 Shares. The renewal of the Share Purchase Mandate will provide flexibility to the Directors to purchase or acquire Shares when it is in the interest of the Company. An explanatory statement setting out the details of the Share Purchase Mandate is attached as Appendix II of this circular.

**IMPORTANT: Notwithstanding the renewal of the Share Issue Mandate and the Share Purchase Mandate, the Company shall from time to time comply with the relevant requirements under the Hong Kong Listing Rules in relation to issuance of securities, in particular Rules 7.19(6) and 13.36 thereof.**

### 5. DIRECTORS' RECOMMENDATIONS

- 5.1 The Board is pleased to recommend the retiring Directors, details of whom are set out in Appendix I to this Circular, for re-election at the AGM.
- 5.2 The Board considers that the renewal of the Share Issue Mandate, the renewal of Share Purchase Mandate and the re-election of retiring Directors are in the interests of the Group and are not prejudicial to the Shareholders as a whole. Accordingly, the Directors recommend the Shareholders to vote in favour of the resolutions relating to the re-election of retiring Directors, the renewal of the Share Issue Mandate and the renewal of the Share Purchase Mandate as set out in the notice of AGM to be proposed at the AGM.

### 6. ANNUAL GENERAL MEETING

The AGM, notice of which is circulated with this Circular, to be held at Jurong Country Club, Albizia Room (Level 2), 9 Science Centre Road, Singapore 609078 on Wednesday, 23 April 2014 at 9:00 a.m. (or any adjournment thereof) for the purpose of considering and, if thought fit, passing, with or without any modifications, the resolutions in relation to the re-election of retiring Directors, the renewal of the Share Issue Mandate and the renewal of the Share Purchase Mandate.

---

## LETTER FROM THE BOARD

---

Pursuant to Rule 13.39(4) of the Hong Kong Listing Rules, any vote of the Shareholders at a general meeting of the Company must be taken by way of poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. Accordingly, the resolutions to be considered and, if thought fit, approved at the AGM will be voted by way of a poll by the Shareholders.

### 7. ACTIONS TO BE TAKEN BY SHAREHOLDERS

Shareholders who are unable to attend the AGM and wish to appoint a proxy to attend and vote at the AGM on their behalf will find attached to this Circular a proxy form which they are requested to complete, sign and return in accordance with the instructions printed thereon as soon as possible and in any event so as to arrive at the Company's Singapore Principal Share Registrar, Boardroom Corporate & Advisory Services Pte. Ltd., 50 Raffles Place, Singapore Land Tower #32-01, Singapore 048623 (for Singapore Shareholders), or to the Company's Branch Share Registrar, Tricor Investor Services Limited, at 26th Floor, Tesbury Centre, 28 Queen's Road East, Hong Kong (which will be relocated to Level 22, Hopewell Centre, 183 Queen's Road East, Hong Kong with effect from 31 March 2014) (for Hong Kong Shareholders) as soon as possible and in any event not later than forty-eight (48) hours before the time fixed for the AGM (or any adjournment thereof). Completion and return of a proxy form by a Shareholder will not preclude a Shareholder from attending and voting in person at the AGM (or any adjournment thereof) if a Shareholder finds that he/she is able to do so. In such event, the relevant proxy form will be deemed to be revoked.

## PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

### 1. The Share Purchase Mandate

#### *1.1 Background*

At the annual general meeting of the Company held on 24 April 2013 (the “**2013 AGM**”), the Shareholders had approved the renewal of the Share Purchase Mandate to enable the Company to purchase or to otherwise acquire the Shares.

The authority contained in the aforesaid Share Purchase Mandate was expressed to continue in force until the next AGM of the Company, and as such, would be expiring on 23 April 2014, being the date of the forthcoming AGM of the Company.

As the Share Purchase Mandate will expire on the date of the forthcoming AGM of the Company on 23 April 2014 at 9:00 a.m., the Directors propose that the Share Purchase Mandate be renewed at the forthcoming AGM.

#### *1.2 Rationale*

The Companies Act allows a Singapore-incorporated company to purchase or otherwise acquire its issued shares, stocks and preference shares if it is expressly permitted to do so by the company’s articles of association. Any purchase or acquisition of shares by the Company would have to be made in accordance with, and in the manner prescribed by the Companies Act, the Listing Manual, the Hong Kong Listing Rules, and such other laws and regulations as may, for the time being, be applicable.

The Share Purchase Mandate will give the Directors the flexibility to purchase or acquire Shares if and when circumstances permit. Share purchases or acquisitions provide the Company and its Directors with an easy mechanism to facilitate the return of surplus cash over and above its ordinary capital requirements in an expedient and cost-efficient manner. The purchases or acquisitions of Shares may, depending on market conditions and funding arrangements, lead to an enhancement of the Earnings per Share (the “**EPS**”) and/or the Net Tangible Assets (the “**NTA**”) per Share, and will only be made when the Directors believe that such purchases or acquisitions of Shares will benefit the Company and the Shareholders as a whole.

Share purchases or acquisitions also allow the Directors to exercise control over the Company’s share capital structure with a view to enhance the EPS and/or the NTA per Share. The Share Purchase Mandate will further give the Company the opportunity to purchase or acquire Shares when such Shares are undervalued and help to buffer short-term share price volatility and offset the effects of share price speculation, thereby boosting Shareholders’ confidence and employees’ morale.

If and when circumstances permit, the Directors will decide whether to effect the Share purchases or acquisitions via Market Purchases or Off-Market Purchases (as defined below), after taking into account the amount of surplus cash available, the then prevailing market conditions and the most cost effective and efficient approach.

The Directors will only make purchases or acquisitions of Shares pursuant to the Share Purchase Mandate when they consider it to be in the interests of the Company and the Shareholders as a whole, and in circumstances which they believe from time to time will not result in any material adverse effect on the working capital or gearing position or financial position of the Company or the Group as compared with the positions disclosed in the audited consolidated financial statements set out in the Annual Report in the event that the Share Purchase Mandate is to be exercised in full at any time during the proposed share purchase period, or result in the Company being delisted from the SGX-ST or the SEHK or any other securities exchange or being insolvent. It should be noted that the purchases pursuant to the Share Purchase Mandate may not be carried out to the full limit as mandated.

Neither the Company nor any of its subsidiaries has purchased, sold or redeemed any of the Company's shares during the twelve (12) months preceding the Latest Practicable Date.

### *1.3 Authority and Limits of the Share Purchase Mandate*

The authority and limits placed on the Share Purchase Mandate are summarised as follows:

#### *1.3.1 Maximum Number of Shares*

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company. The total number of Shares that may be purchased or acquired by the Company pursuant to the Share Purchase Mandate shall not exceed ten per cent. (10%) of the issued Shares of the Company as at the date of the last AGM held before the resolution authorising the Share Purchase Mandate is passed or as at the date of the resolution authorising the Share Purchase Mandate is passed (the "**Approval Date**"), whichever is higher.

For illustration purposes only, on the basis of 388,000,000 Shares in issue as at the Latest Practicable Date, being 18 February 2014, not more than 38,800,000 Shares (representing 10% of the Shares in issue as at the Latest Practicable Date) may be purchased by the Company pursuant to the Share Purchase Mandate.

#### *1.3.2 Duration of Authority*

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the Approval Date, up to:

- (a) the date on which the next AGM of the Company is held or required by law to be held; or
- (b) the date on which the Share purchases are carried out to the full extent mandated; or
- (c) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied by the Company in general meeting,

whichever is the earliest.

The Share Purchase Mandate may be renewed by Shareholders' approval at each subsequent AGM or other general meeting of the Company.

*1.3.3 Manner of Purchases or Acquisitions of Shares*

Purchases or acquisitions of Shares may be made by way of:

- (a) on-market purchases (the “**Market Purchases**”), transacted on the SGX-ST or on any other securities exchange on which the Shares are listed and/or through one or more duly licensed dealers appointed by the Company for that purpose; and/or
- (b) off-market purchases (the “**Off-Market Purchases**”), in accordance with an equal access scheme for the purchase or acquisition of Shares from Shareholders.

The Directors may impose such terms and conditions which are not inconsistent with the Share Purchase Mandate, the Listing Manual and the Companies Act as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme(s).

Under Section 76C of the Companies Act, an equal access scheme must satisfy all the following conditions:

- (a) offers under the scheme must be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (b) all of those persons shall be given a reasonable opportunity to accept the offers made to them; and
- (c) the terms of all the offers are the same, except that there shall be disregarded:
  - (i) differences in consideration attributable to the fact that the offers relate to Shares with different accrued dividend entitlements;
  - (ii) differences in consideration attributable to the fact that the offers relate to Shares with different amounts remaining unpaid; and
  - (iii) differences in the offers introduced solely to ensure that each member is left with a whole number of Shares.

In addition, under the Listing Manual, in making an Off-Market Purchase in accordance with an equal access scheme, the Company must issue an offer document to all Shareholders containing at least the following information:

- (a) the terms and conditions of the offer;
- (b) the period and procedures for acceptances;
- (c) the reasons for the proposed Share purchases;

- (d) the consequences, if any, of the Share purchases by the Company that will arise under the Singapore Code on Take-overs and Mergers (the “**Take-over Code**”) or other applicable take-over rules;
- (e) whether the Share purchases, if made, could affect the listing of the Shares on the SGX-ST; and
- (f) details of any Share purchases made by the Company in the previous twelve (12) months (whether the Market Purchases or the Off-Market Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases.

#### *1.3.4 Maximum Purchase Price*

The purchase price (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) to be paid for Shares purchased or acquired pursuant to the Share Purchase Mandate will be determined by the Directors.

However, the purchase price to be paid for the Shares purchased or acquired pursuant to the Share Purchase Mandate as determined by the Directors must not exceed:

- (a) in the case of a Market Purchase, one hundred and five per cent. (105%) of the Average Closing Price (as defined below) of the Shares; and
- (b) in the case of an Off-Market Purchase, one hundred and twenty per cent. (120%) of the Average Closing Price (as defined below) of the Shares,

in either case, excluding related expenses of the purchase or acquisition (the “**Maximum Price**”).

For the above purposes:

“**Average Closing Price**” means the average of the closing market prices of the Shares over the last five (5) Market Days, on which transactions in the Shares were recorded, immediately preceding the date of the Market Purchase by the Company or, as the case may be, the date of the making of the offer pursuant to the Off-Market Purchase pursuant to the equal access scheme, and deemed to be adjusted for any corporate action that occurs after the relevant five (5) Market Days period; and

“**date of the making of the offer**” means the date on which the Company announces its intention to make an offer for the purchase or acquisition of the Shares to holders of Shares, stating the purchase price (which shall not be more than the Maximum Price determined on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

#### *1.4 Source of Funds*

In purchasing or acquiring Shares pursuant to the Share Purchase Mandate, the Company may only apply funds legally available for such purchase or acquisition in accordance with the Articles, the Listing Manual, the Hong Kong Listing Rules and any other applicable laws and regulations. Under the Companies Act, any payment made by the Company in consideration of the purchase or acquisition of its own Shares may be made out of the Company's capital and/or retained profits, so long as the Company is solvent. For this purpose, a company is "solvent" if:

- (i) the company is able to pay its debts in full at the time of payment for the purchase of Shares and will be able to pay its debts as they fall due in the normal course of business during the period of twelve (12) months immediately following the date of the purchase; and
- (ii) the value of the company's assets, at the time of the purchase of shares and after such purchase, is not less than the value of its liabilities (including contingent liabilities), having regard to the most recent financial statements of the company and all other circumstances that the directors or managers of the company know or ought to know affect, or may affect, such values.

The Company intends to use internal resources, or external borrowings, or a combination of both to fund purchases of Shares pursuant to the Share Purchase Mandate. However, in considering the option of external financing, the Directors will consider particularly the prevailing gearing level of the Group. The Directors will only make purchases or acquisitions of Shares pursuant to the Share Purchase Mandate in circumstances which they believe will not result in any material adverse effect to the financial position of the Company or the Group.

#### *1.5 Status of Purchased Shares*

Under the Companies Act, the Company may choose to hold the purchased Shares as treasury shares or to cancel them. The Articles also allows the Company to hold purchased Shares as treasury shares. Accordingly, the Company has the discretion to hold the purchased Shares as treasury shares or to cancel them.

However, as the Company also has a primary listing on the SEHK, it has to comply with the Hong Kong Listing Rules. Under Rule 10.06(5) of the Hong Kong Listing Rules, the listing of all shares which are purchased by the Company (whether on the SEHK or otherwise) shall be automatically cancelled upon purchase and the Company must apply for listing of any further issues of that type of shares in the normal way. The Company shall ensure that the documents of title of purchased shares are cancelled and destroyed as soon as reasonably practicable following settlement of any such purchase. Shares purchased or acquired by the Company are deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Shares will expire on such cancellation). The total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company.

Any Shares purchased or acquired by the Company and cancelled will be automatically delisted by the SGX-ST. Certificates in respect of purchased or acquired Shares that are cancelled by the Company will be cancelled by the Company as soon as reasonably practicable following settlement of any purchase or acquisition of such Shares.

### ***1.6 Reporting Requirements***

- 1.6.1 Within thirty (30) days of the passing of the Shareholders' ordinary resolution to approve any purchase or acquisition of Shares by the Company, the Company shall lodge a copy of such ordinary resolution with the Accounting & Corporate Regulatory Authority (the "ACRA").
- 1.6.2 The Company shall notify the ACRA within thirty (30) days of a purchase or acquisition of Shares on the SGX-ST or otherwise. Such notification shall include details of the date of the purchase or acquisition, the total number of Shares purchased or acquired by the Company, the number of Shares cancelled, the Company's issued share capital before the purchase or acquisition of Shares, the Company's issued share capital after the purchase or acquisition of Shares, the amount of consideration paid by the Company for the purchase or acquisition, whether Shares were purchased or acquired out of profits or capital of the Company, and such other particulars as may be required by the ACRA.
- 1.6.3 Rule 886 of the Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9:00 a.m. (a) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares; and (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer. The notification of such purchases or acquisitions to the SGX-ST shall be in such form and shall include such details as may be prescribed by the SGX-ST in the Listing Manual. The Company shall make arrangements with its stockbrokers to ensure that they provide the Company in a timely fashion with the necessary information which will enable the Company to make the notifications to the SGX-ST.
- 1.6.4 While the Listing Manual do not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the Company would be regarded as an "insider" in relation to any proposed purchase or acquisition of its Shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the proposed Share Purchase Mandate at any time after a price sensitive development has occurred or has been the subject of a decision until the price sensitive information has been publicly announced. In particular, to comply with Rule 1207(19) of the Listing Manual, the Company will not purchase or acquire any Shares through Market Purchase during the period commencing two weeks before the announcement of the Company's financial statements for each of the first three quarters of its financial year, or one month before the announcement of the Company's full year results, and ending on the date of the relevant results.

1.6.5 For an Off-Market Purchase, the Listing Manual requires that the listed company issue an offer document to all shareholders containing the information as set out in paragraph 1.3.3 above.

### *1.7 Financial Effects*

The financial effects on the Group arising from the purchases or acquisitions of Shares which may be made pursuant to the Share Purchase Mandate will depend on, inter alia, whether the Shares are purchased or acquired out of capital and/or retained profits of the Company, the number of Shares purchased or acquired, the consideration paid for such Shares and the number of Shares purchased or acquired which are to be cancelled. It is therefore not possible to realistically calculate or quantify the impact at this point of time.

#### *1.7.1 Purchase or Acquisition out of Profits and/or Capital*

Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the capital and/or retained profits of the Company.

Where the purchased Shares are cancelled, a reduction by the total amount of the purchase price paid by the Company for the Shares cancelled will be made to:

- (a) the share capital of the Company where the Shares were purchased out of the capital of the Company;
- (b) the profits of the Company where the Shares were purchased out of the retained profits of the Company; or
- (c) the share capital and profits of the Company proportionately where the Shares were purchased out of both the capital and profits of the Company.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of retained profits, such consideration (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) will correspondingly reduce the amount available for the distribution of cash dividends by the Company.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

#### *1.7.2 Number of Shares Acquired or Purchased*

Purely for illustration purposes only, on the basis of 388,000,000 issued and paid-up Shares as at the Latest Practicable Date, and assuming no further Shares are issued or repurchased by the Company, on or prior to the AGM, the purchase or acquisition by the Company of up to the maximum limit often per cent. (10%) of its issued Shares will entail a purchase or acquisition of 38,800,000 Shares.

*1.7.3 Maximum Price Paid for Shares Acquired or Purchased*

In the case of the Market Purchases by the Company, based on the existing issued and paid-up capital of the Company as at the Latest Practicable Date and the assumption that, pursuant to the Share Purchase Mandate, the Company purchases the maximum number of 38,800,000 Shares at the Maximum Price of S\$0.18 per Share (being the price equivalent to five per cent. (5%) above the average of the closing market prices of the Shares for the five (5) Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase of 38,800,000 Shares is approximately S\$6,984,000, excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses.

In the case of the Off-Market Purchases by the Company, based on the existing issued and paid-up capital of the Company as at the Latest Practicable Date and the assumption that, pursuant to the Share Purchase Mandate, the Company purchases the maximum number of 38,800,000 Shares at the Maximum Price of S\$0.20 per Share (being the price equivalent to twenty per cent. (20%) above the average of the closing market prices of the Shares for the five (5) Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase of 38,800,000 Shares is approximately S\$7,760,000, excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses.

*1.7.4 Illustrative Financial Effects*

For illustrative purposes only, on the basis of the assumptions set out above and the following:

- (a) the Share Purchase Mandate had been effective on the Latest Practicable Date and the Company had purchased the maximum of 38,800,000 Shares representing ten per cent. (10%) of the Shares in issue as at the Latest Practicable Date and cancelled;
- (b) the consideration for the purchase or acquisition of the Shares is funded by external borrowings;
- (c) the Shares have been purchased at the Maximum Price; and
- (d) the SGD:RMB exchange rate as at 31 December 2013 is 4.79 and the average SGD:RMB exchange rate for the 2013 financial year (“FY2013”) is 4.92,

an illustration of the financial impact of Share purchases or acquisitions by the Company pursuant to the Share Purchase Mandate on the Group and the Company's audited financial statements for FY2013 is set out below:

- (2) Gearing equals total liabilities divided by Shareholders' funds.
- (3) Current ratio equals current assets divided by current liabilities.

**Shareholders should note that the financial effects set out above, based on the respective aforementioned assumptions, are for illustration purposes only. In particular, it is important to note that the above analysis is based on the historical numbers of FY2013 (save for the number of Shares, which are based on the number of Shares as at the Latest Practicable Date), and is not necessarily representative of future financial performance.**

The Company will take into account both financial and non-financial factors (for example, share market conditions and the performance of the Shares) in assessing the relative impact of a Share purchase or acquisition before execution. Although the Share Purchase Mandate would authorise the Company to purchase or acquire up to ten per cent. (10%) of its issued Shares, the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire ten per cent. (10%) of its issued Shares

### *1.8 Taxation*

Section 10J of the Income Tax Act stipulates that when a company purchases or acquires its own shares from a shareholder using funds other than contributed capital of the company, the payment by the company shall be deemed to be a dividend paid by the company to the shareholder. Accordingly, the Company will, in repurchasing its own Shares out of profits, be deemed to have paid a dividend to its Shareholders from whom the Shares are purchased.

**Shareholders who are in doubt as to their respective tax positions or tax implications of Share purchases by the Company, or who may be subject to tax whether in or outside Singapore, should consult their own professional advisers.**

### *1.9 Listing Status*

The Company is required under Rule 723 of the Listing Manual to ensure that at least ten per cent. (10%) of its Shares are in the hands of the public. The “public”, as defined under the Listing Manual, are persons other than (a) the directors, chief executive officer, substantial shareholders, or controlling shareholders of the Company or its subsidiaries, and (b) the associates of such persons named in (a).

The Company is required under Rule 8.08 of the Hong Kong Listing Rules to ensure that at least twenty-five per cent. (25%) of its Shares are in the hands of the public. According to the Hong Kong Listing Rules, the SEHK will not regard any connected person of the Group as a member of “the public” or Shares held by a connected person as being “in public hands”. In addition, the SEHK will not recognise as a member of “the public”: (a) any person whose acquisition of securities has been financed directly or indirectly by a connected person; and/or (2) any person who is accustomed to take instructions from a connected person in relation to the acquisition, disposal, voting or other disposition of securities of the Company registered in his/her name or otherwise held by him/her.

*Note:* The Company shall comply with both the Listing Manual and the Hong Kong Listing Rules. In the event of any conflict between them, the Company shall have to comply with the more onerous rules, subject to approvals from the relevant stock exchange(s) where is necessary.

As at the Latest Practicable Date, there are 269,622,813 Shares in the hands of the public, representing sixty-nine point forty-nine per cent. 69.49% of the issued Shares of the Company. Assuming that the Company purchases its Shares through Market Purchases up to the full ten per cent. (10%) limit pursuant to the Share Purchase Mandate, the number of Shares in the hands of the public would be reduced to 230,822,813 Shares, representing fifty-nine point forty-nine per cent. 59.49% of the remaining issued Shares of the Company (on the assumption that the purchased Shares are not cancelled).

In undertaking any purchases of its Shares, the Directors will use their best efforts to ensure that a sufficient number of Shares remain in public hands so that the Share purchases will not:

- (a) adversely affect the listing status of the Shares on both the SGX-ST and the SEHK;
- (b) cause market illiquidity; or
- (c) adversely affect the orderly trading of the Shares.

#### *1.10 Suspension of Purchase*

1.10.1 The Company will not effect or undertake any Share purchases or acquisitions prior to the announcement of any price-sensitive information by the Company, until such time as the price-sensitive information has been publicly announced or disseminated in accordance with the requirements of the Listing Manual.

1.10.2 The Company will not effect or undertake any Share purchases or acquisitions on the SGX-ST or the SEHK during the period commencing one (1) month immediately preceding the earlier of (i) the date of the board meeting (as such date is first notified to the SGX-ST or the SEHK) for the approval of the results announcement for the financial year, half-year, quarterly or any other interim period, and (ii) the deadline for the Company to publish an announcement of its results for any year or half-year or quarterly or any other interim period (whether or not required under the Listing Manual or the Listing Rules), and ending on the date of the results announcement.

#### *1.11 (A) Implications under the Take-over Code*

The resultant increase in the percentage of voting rights held by a Shareholder and persons acting in concert with him, following the purchase of Shares by the Company, will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code (“**Rule 14**”). Consequently, depending on the number of Shares purchased by the Company and the total number of Shares in the capital of the Company at that time, a Shareholder or group of Shareholders acting in concert with each other could obtain or consolidate control of the Company and could become obliged to make an offer under Rule 14.

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), cooperate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company. Unless the contrary is established, the following persons, inter alia, will be presumed to be acting in concert:

- (i) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts);
- (ii) a company, its parent, subsidiaries and fellow subsidiaries, and their associated companies and companies of which such companies are associated companies, all with each other;
- (iii) an individual with his close relatives, related trusts, any person who is accustomed to act in accordance with his instructions and companies controlled by these persons, all with each other; and
- (iv) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights.

For this purpose, ownership or control of twenty per cent. (20%) but not more than fifty per cent. (50%) of the voting rights of a company will be regarded as the test of associated company status.

The circumstances under which Shareholders (including Directors) and persons acting in concert with them respectively will incur an obligation to make a general offer under Rule 14 after a purchase or acquisition of Shares by the Company are set out in Rule 14 and Appendix 2 of the Take-over Code.

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, the Directors and persons acting in concert with them will incur an obligation to make a general offer under Rule 14 if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Directors and their concert parties would increase to thirty per cent. (30%) or more, or if the voting rights of such Directors and their concert parties fall between thirty per cent. (30%) and fifty per cent. (50%) of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than one per cent. (1%) in any period of six (6) months.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a general offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to thirty per cent. (30%) or more, or, if such Shareholder holds between thirty per cent. (30%) and fifty per cent. (50%) of the Company's voting rights, the voting rights of such Shareholder would increase by more than one per cent. (1%) in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the resolution authorising the proposed Share Purchase Mandate.

As at the Latest Practicable Date and to the best knowledge and belief of the Directors, Kingever Enterprises Limited (which is wholly owned by Mr. Cui Genxiang) has an interest in 90,294,662 Shares, representing twenty three point twenty seven per cent. 23.27% of the issued capital of the Company, and Mr Cui Genxiang is deemed to be a Controlling Shareholder by reason of the 90,294,662 Shares held by Kingever Enterprises Limited. The entire Shares held by Kingever Enterprises Limited. are registered in the Branch Register of Members in Hong Kong.

As at the Latest Practicable Date as set out in paragraph 1.13 below, none of the substantial Shareholders would become obliged to make a take-over offer for the Company under Rule 14 as a result of the purchase by the Company of the maximum limit of 10% of its issued Shares as at the Latest Practicable Date.

**Shareholders who are in any doubt as to whether they would incur any obligations to make a take-over offer as a result of any purchase of Shares by the Company pursuant to the Share Purchase Mandate are advised to consult their professional advisers and/or the Securities Industry Council before they acquire any Shares in the Company during the period when the Share Purchase Mandate is in force.**

***(B) Implications under the Hong Kong Takeovers Code***

If, on the exercise of the power to purchase or acquire the Shares pursuant to the Share Purchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Hong Kong Code on Takeovers and Mergers (the "**Hong Kong Takeovers Code**"). As a result, a Shareholder or a group of Shareholders acting in concert (as defined in the Hong Kong Takeovers Code), depending on the level of such increase, could obtain or consolidate control of the Company and may become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Hong Kong Takeovers Code.

As at the Latest Practicable Date and to the best knowledge and belief of the Directors, Kingever Enterprises Limited (which is wholly owned by Mr. Cui Genxiang) has an interest in 90,294,662 Shares, representing twenty-three point twenty-seven per cent. 23.27% of the issued capital of the Company, and Mr Cui Genxiang is deemed to be a Controlling Shareholder by reason of the 90,294,662 Shares held by Kingever Enterprises Limited. In the event that the Directors should exercise in full the power to purchase or acquire Shares under the Share Purchase Mandate and if there is no other change in the issued share capital of the Company, the shareholding of Kingever Enterprises Limited in the Company will be increased to approximately twenty-five point eighty-six per cent 25.86% of the issued share capital of the Company.

The Directors are not aware of any consequence which may arise under the Hong Kong Takeovers Code as a result of any repurchases made under the Share Purchase Mandate.

The Directors do not have present intention to exercise the power to repurchase the Shares to the extent which will trigger off the mandating offer requirement pursuant to the rules of the Hong Kong Takeovers Code.

### ***1.12 Share Purchase made and Share Price on the SEHK***

1.12.1 The Company has not made any Market Purchases on the SGX-ST or the SEHK or Off-Market Purchases in the twelve (12) months preceding the date of this Circular.

1.12.2 Under the Hong Kong Listing Rule 10.06(1)(b)(x) of the SEHK, the Company is required to state the share prices traded on the SEHK during each of the previous twelve (12) months in the Explanatory Statement. The highest and lowest prices at which the Shares were traded on the SEHK in each of the following months:

### 1.13 Directors' and Substantial Shareholders' Interests

As at the Latest Practicable Date, the shareholdings of the Directors and the substantial Shareholders in the Company before and after the purchase of Shares (assuming that the purchased Shares are cancelled) pursuant to the Share Purchase Mandate, based on the Register of Director's Shareholdings and the Register of Substantial Shareholders, are as follows:

	Before Share Purchase			After Share Purchase

Wellahead Holdings Limited	28,082,525	—	7.24	28,082,525	—	8.04

**NOTES:**

- (1) Mr. Cui Genxiang holds 100% of the total issued share capital of Kingever Enterprises Limited. Pursuant to section 7 of the Companies Act, Mr. Cui Genxiang is deemed interested in the Shares held by Kingever Enterprises Limited.
- (2) Ms. Zhang Zhong holds 100% of the total issued share capital of Wellahead Holdings Limited. Pursuant to section 7 of the Companies Act, Ms. Zhang Zhong is deemed interested in the Shares held by Wellahead Holdings Limited.

**Shareholders should note that the figures in the above table are set out for illustrative purposes only and calculated on the assumption that (i) the maximum amount of ten per cent. (10%) of the Shares of the Company purchased under the Share Purchase Mandate will be cancelled and (ii) there is no change in the number of Shares held or deemed to be held by the Directors and the substantial Shareholders.**

At the Latest Practicable Date, Kingever Enterprises Limited has an interest in 90,294,662 Shares, representing twenty-three point twenty-seven per cent. 23.27% of the issued capital of the Company. Mr. Cui Genxiang is deemed to be a controlling Shareholder by reason of the 90,294,662 Shares held by Kingever Enterprises Limited. Wellahead Holdings Limited has an interest in 28,082,525 Shares, representing seven point twenty four per cent. 7.24% of the issued capital of the Company. Ms. Zhang

Zhong is deemed to be a substantial Shareholder by reason of the 28,082,525 Shares held by Wellahead Holdings Limited. In the event that the Company purchases a maximum of 38,800,000 Shares, being ten per cent. (10%) of the total number of Shares in issue, from Shareholders other than Kingever Enterprises Limited and Mr. Cui Genxiang, the resultant shareholding interest of Kingever Enterprises Limited and Mr. Cui Genxiang in the Company would increase from twenty-three point twenty-seven per cent. 23.27% to approximately twenty-five point eighty-six per cent. 25.86% respectively. As such the Share Purchase Mandate, even if fully utilized, would not trigger the provisions of the Take-over Code requiring Kingever Enterprises Limited or Mr. Cui Genxiang to incur an obligation to make a take-over offer under Rule 14 of the Take-over Code.

Based on the above information, as at the Latest Practicable Date, none of the Directors will become obligated to make a general offer in the event that the Company purchases the maximum number of 38,800,000 Shares under the Share Purchase Mandate. Based on the Register of Substantial Shareholders of the Company as at the Latest Practicable Date, the Directors are not aware of any substantial Shareholder who may become obligated to make a mandatory offer in the event that the Company purchases the maximum number of 38,800,000 Shares.

#### ***1.14 Directors, substantial shareholders, their associates and connected persons***

None of the Directors nor substantial shareholders, to the best of their knowledge having made all reasonable enquiries, any of their associates, have any present intention, in the event that the Share Purchase Mandate is approved by the Shareholders at the AGM, to sell Shares to the Company under the Share Purchase Mandate.

No connected persons of the Company has notified the Company that he or she has a present intention to sell any Shares to the Company or its subsidiaries, or that he or she has undertaken not to sell any Shares held by him or her to the Company, in the event that the Share Purchase Mandate is granted by the Shareholders at the AGM.

#### ***1.15 Directors' Undertaking***

The Directors have undertaken to the SEHK and the SGX-ST that they will exercise the power of the Company pursuant to the Share Purchase Mandate in accordance with the Listing Manual, the Hong Kong Listing Rules, the Articles, the Companies Act and the applicable laws of the Republic of Singapore so far as the same may be applicable.

#### ***1.16 Directors' Recommendation***

The Directors are of the opinion, for the reasons set out in paragraph 1.2 above, that the renewal of the Share Purchase Mandate is in the best interests of the Company. They accordingly recommend the Shareholders to vote in favour of the renewal of the Share Purchase Mandate to be proposed at the AGM.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates currently intends to sell the Shares to the Company or its subsidiaries in the event that the Share Purchase Mandate is approved by the Shareholders.

No connected person has notified the Company that he or she or it has a present intention to sell his or her or its Shares to the Company, nor has he or she or it undertaken not to do so, in the event that the Company is authorised to make purchases of the Shares.

#### ***1.17 Directors' Responsibility Statement***
